

Introduction to Theoretical Statistics I
STA 6326
Fall 2010

Instructor:

J.P. Hobert
221 Griffin Floyd Hall
273-2990

Class:

MWF 8:30 - 9:20am, Little 207

Course Web Page:

<http://web.stat.ufl.edu/~jhobert/sta6326.html>

Office Hours:

MW 9:30-10:30am or by appointment

Text:

2nd edition of *Statistical Inference* by Casella and Berger

Homework:

Homework will usually be assigned on a Friday and will usually be due seven days after it is assigned. Homework is worth 10% of the final grade. No late homework will be accepted.

Exams:

Three exams will each count for 30% of the final grade. The first two exams are tentatively scheduled for 5:30-7:00pm on September 30th (Thursday) and November 4th (Thursday). The final exam is tentatively scheduled for 5:30-7:30pm on December 8th (Wednesday). No make-up exams will be given.

TA (help Sessions and office hours):

The TA for the course is Trung Ha. His office is Griffin-Floyd 218. Trung will have regular office hours 3rd period on Tuesday and Thursday, and 4th period on Wednesday. In addition, during weeks in which there is an exam or a homework due, Trung will hold a help session on Wednesday in Griffin-Floyd 230 from 6:30-8pm.

Grading:

The usual 10 point scale (90% for an **A**, 80% for a **B**, ...) is tentatively adopted, but will most likely be loosened.

Policies:

Students are responsible for **all** material covered in class. If you are absent, make arrangements with a classmate to borrow the notes.
