Homework: Homework problems will be assigned and collected. The final point total on homework will be scaled to a maximum of 100 points toward the final grade. Homework is designed to help the student understand the material and prepare for the exams. Homework should be submitted in class on the day it is due.

Exams: There will be 3 exams (two midterms and one final) given during the semester, each worth 100 points. The dates of the two midterms will be announced at least one week in advance. The final exam will be Friday, December 13th at 7:30 a.m. Make-up exams will be given only when prior permission is obtained to miss the exam given in class.

Grading: The final grade will be based on the total number of points earned out of 400. The standard grading scale will be used.
