**Grading:** Your final grade in the course will be based on the total number of points earned throughout the term. There will be three exams worth 125 points each and homework assignments will be worth a total of 125 points. Thus a maximum of 500 points may be accumulated.

A: 450-500  B+: 425-449  B: 400-424  C+: 375-399  C: 325-374  D: 300-324  E: 299 points and below

**Exams:** Three exams will be given. The dates are tentatively set for

Exam I: Monday July 12, 2004  
Exam II: Friday July 23, 2004  
Exam III: Friday August 6, 2004

The times and locations are that of the regularly scheduled classes. The third exam will have limited material on it from earlier parts of the course. The material on each exam will be specified prior to the exams. Calculators are allowed and all students must show a picture ID when turning in each exam.

Students must notify me **prior to the exam** if they cannot be present due to illness, and proper documentation must be provided. In the case of other emergencies, contact me prior to the exam - as soon as you realize that you will be unable to take the exam at the scheduled time. Each case will be reviewed individually. Valid and detailed documentation is a prerequisite for scheduling a makeup exam under such extenuating circumstances.

**Homework:** Problems will be assigned to provide students practice with the material covered in class. Assignments will be due **in class** and will not be accepted late.

**Help Outside of Class:** Since summer courses move very quickly, it is very important that you keep pace with the class and that you don’t drop behind. A Graduate Assistant
will hold office hours on a walk-in basis for students who have questions on the material or homework. In addition, do not hesitate to come and see me during office hours or by appointment. We are here to help you succeed in the class.

**Academic Dishonesty**: I adhere to the University of Florida rules and guidelines for handling instances of academic dishonesty. Please refer to the Office of Student Services for detailed information about current policies.

**Instructor’s Honor Code**: We the members of the University of Florida community pledge to hold ourselves and our peers to the highest standards of honesty and integrity.
